THIS DECLARATION is made this 21st day of May, 2002, by PHOENIX BUILDING CO., INC., a North Carolina corporation, referred to in this instrument as "Developer."

STATEMENT OF PURPOSE

Developer is the owner of that certain parcel of land, which is known as Country Manor I located in Union County, North Carolina, more particularly described in Exhibit A attached hereto and incorporated herein by reference (the "Submitted Property"), and further described in Plat Cabinet G, Page 960.

It is in the best interest of Developer, as well as to the benefit, interest and advantage of each person or other entity later acquiring any property in Country Manor I that certain covenants, conditions, easements, and restrictions governing and regulating the use and occupancy of the same be established, fixed and set forth and declared to be covenants running with the land.

Developer desires to provide for the preservation of the values and attractiveness of the real property in Country Manor I.

In consideration of the premises and for the purposes stated, Developer hereby declares that all of the Submitted Property shall be held, sold and conveyed subject to the following easements, restrictions, covenants, and conditions (all of which are collectively referred to in this instrument as "restrictions"), which restrictions shall be construed as covenants running with the land and shall be binding upon all parties having any right, title or interest in the described real property or any part thereof, and to their heirs, successors and assigns, and shall inure to the benefit of each owner thereof.

ARTICLE I: PROPERTY SUBJECT TO THIS DECLARATION

(1.1) The Submitted Property shall be held, transferred, sold, conveyed and occupied subject to this Declaration. Only the Submitted Property is hereby made subject to this Declaration.

ARTICLE II: USE RESTRICTIONS

(2.2) Use of Lots. Each Lot now or hereafter subjected to this Declaration are subjected to the following restrictions as to the use thereof running with said property by whomsoever owned:

No business or commercial building may be erected on any lot and no business, other than customary home occupation as referred to in Union County or Unionville zoning ordinance, may be conducted on any part thereof. No dwelling, building or other improvement shall be erected upon any lot without prior Developer approval thereof as elsewhere herein provided. In order to assure, however, that location of the dwellings will be staggered where

practical and appropriate, and that all structures will be located with regard to the topography of each individual lot, taking into consideration the elevation contours of the lot and the location of large trees, Developer reserves unto itself, its successors and assigns, the right to absolute control and to solely decide the precise site and location of any dwelling, structure or improvement and the location of utilities upon all lots within Country Manor I; provided, however, such location shall be determined only after reasonable opportunity is afforded the Lot Owner to recommend a specific site and, in any event, all buildings shall be constructed within the minimum set back lines designated on the recorded map of the subdivision. No lot shall be divided or subdivided unless (i) it is to adjust the property lines to allocate sufficient area for nitrification fields for each lot, or (ii) to permit the flow of storm water in a more natural course, or (iii) unless each divided or subdivided portion thereof is consolidated with one or more contiguous lots under one ownership, which combination shall require the approval of the Developer. In the event that one or more lots are developed as a unit, the provisions of these covenants and restrictions shall apply thereto as a single lot. The Developer reserves the sole right to re-subdivide any portion or all of the subdivision owned by the Developer. All such re-subdivision or combination of lots shall be subject to the easements provisions contained in Paragraph 5.2, supra.

No building shall be located nearer any side lot than the applicable zoning ordinance shall allow. All measurements shall be to the base of the dwelling. In the event of the unintentional violation of any minimum setback requirements herein set forth, Developer, for itself and for its successors and assigns, reserves the right, by and with the mutual consent of the owner of the lot in question, to change the restrictions set forth in this instrument, provided, however, that such changes shall not exceed ten percent (10%) of the marginal requirements of such restrictions.

(w) Necessary Exceptions for Development. Developer, or the agents of Developer, shall undertake the work of developing all lots included within the subdivision. The completion of that work and the sale, rent, or other disposition of residential units is essential to the establishment and welfare of the subdivision as an on-going residential community. In order that such work may be completed and the subdivision established as a fully-occupied residential community as soon as possible, nothing in this Declaration shall be understood or construed to prevent the Developer, Developer's agents or transferees, or the employees, contractors of sub-contractors of Developer, from doing whatever Developer may determine to be reasonably necessary or advisable for the completion of the work and the establishment of the subdivision as a residential community. Lot Owners, upon commencement of construction of any residence, dwelling unit or other structure, which is not prohibited by this Declaration, shall pursue the performance of any construction diligently and continuously until completion of the structure involved. In the event the Developer fails to approve or disapprove such design and location within 30 days after said plans and specifications have been submitted to it, approval will not be required, and this paragraph will be deemed to have been fully complied with. Refusal or approval of plans, specifications, building or location may be based upon any grounds including purely aesthetic considerations, which in the sole and uncontrolled discretion of the Developer shall be deemed sufficient.

ARTICLE III: EASEMENTS

(3.1) General. Each Lot now or hereafter subjected to this Declaration shall be subject to all easements shown or set forth on the recorded plat or plats of survey upon which such Lot is shown. No structure of any type shall be erected or placed upon any part of a Lot or the Common Area which shall interfere with rights and use of any and all easements shown on said recorded plat.

(3.2) Utility and Drainage. An Easement on each Lot is hereby reserved by Developer for itself and its successors and assigns along, over, under and upon a strip of land fifteen (15) feet in width along the rear lot lines of all Lots shown on the recorded plats, and easements seven and one-half (7½) feet in width along the front and side lot lines of all Lots shown on recorded plats, in addition to such other easements as may appear on a recorded subdivision plat for Country Manor I. The purposes of them easements shall be to provide, install, maintain, construct and operate drainlines to, from or for each of the Lots. Within these easements no structure, planting or other material shall be placed or permitted to remain which may damage or interfere with the installation or maintenance of utilities, or which may change the direction or flow or drainage channels in the easements except for party walls located on a portion of the side line or lines of a Lot. The easement area of each and all improvements in it shall be maintained continuously by Owner, except for those improvements for which a public authority or utility is responsible. With ten (10) days' prior written notice to Owner, Developer may exercise the right to remove obstructions in such easements upon Owner's failure to do so. For the purpose of this covenant, Developer reserves the right to modify or extinguish the herein reserved easements along any Lot lines when in its sole discretion adequate reserved easements are otherwise available for the installation of drainage facilities and/or utility service lines. For the duration of these restrictions, no such utilities shall be permitted to occupy or otherwise encroach upon any of the easement areas reserved without first obtaining the prior written consent of Developer; provided, however, local service from utilities within easement areas to residence constructed upon any such lots may be established without first obtaining separate consents therefor from Developer.

(3.3) Private Drive Easement. There shall be reserved along the common property lines of Lots 4 and 5 of Country Manor I a thirty (30) foot private drive extending fifteen (15) feet on each side of the line, which shall serve as a means of access to Lots 1 and 2 of Country Manor I. Said private drive is shown on the recorded map of Country Manor I. Access to Lots 4 and 5 of Country Manor I shall be by way of a separate drive to each lot and not over the reserved private drive. The owners of Lots 1 and 2 of Country Manor I shall each be responsible for one-half (½) of the cost of maintaining said drive so as each lot is accessible in all types of weather.

(3.4) Emergency. There is hereby reserved without further assent or permit and to the extent allowed by law, a general easement to all firemen, ambulance personnel, policemen and security guards employed by Developer and all similar persons to enter upon the Properties or any portion thereof in the performance of their respective duties.

(3.5) Municipal Easement. A general easement of access is granted to all utility providers, into, over and through each Lot for the purpose of maintaining, repairing and servicing the utility lines located on said Lot and for providing municipal services to which said Lot is entitled.

ARTICLE IV: ARCHITECTURAL CONTROL

TO PRESERVE THE BEAUTY, QUALITY AND VALUE OF THE NEIGHBORHOOD

No dwelling, improvement or structure of any kind, including, without limitation, any building, fence, wall, swimming pool, tennis court, screen enclosure, sewer, drain, disposal system, decorative building, landscape device or object, or other improvement shall be commenced, erected, placed or maintained upon any lot, nor shall any addition, change or alteration therein or thereof be made, unless and until the plans, specifications and location of the same shall have been submitted to, and approved in writing by the Developer. Fences shall be of split rail, electrical tape wiring, or vinyl. No chain link or barbed wire fences are permitted.

All provisions of this Declaration shall be construed to be covenants running with the land, and with every part thereof and interest therein, and every Owner or any other person or legal entity claiming an interest in any Lot, and his heirs, executors, administrators, successors and assigns, shall be bound by all of the provisions of this Declaration.

(5.2) Duration. The covenants, conditions and restrictions of this Declaration shall be binding for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive and additional periods of ten (10) years each.

(5.3) Amendment. This Declaration may be amended or terminated by an instrument signed by not less than seventy-five percent (75%) of the then owners of the lots shown on the recorded map; however, the Developer shall have the right to amend or terminate the same without the joinder of any lot owners for so long as Developer owns twenty-five percent (25%) of the lots shown on any map of the subdivision.

(5.4) Enforcement. If any Owner shall violate or attempt to violate any of these restrictions, failure to comply with any of the same shall be grounds for an action to recover sums due, for damages or injunctive relief, or both, by any aggrieved party owning a lot in the subdivision, jointly or severally. Any failure by Association or any other Owner to enforce any of the foregoing restrictions or other provisions shall in no event be deemed a waiver of their right to do so thereafter. Invalidation of any covenant, condition or restriction or other provision of this Declaration shall not affect the validity of the remaining portions thereof which shall remain in full force and effect.

(5.5) Headings. Headings are inserted only for convenience and are in no way to be construed as defining, limiting, extending or otherwise modifying or adding to the particular paragraphs to which they refer.

(5.6) Unintentional Violation of Restrictions. In the event of unintentional violation of any of the foregoing restrictions with respect to any Lot, the Developer or its successors reserves the right (by and with the mutual written consent of the then Owner or Owners of such Lot) to change, amend or release any of the foregoing restrictions as the same may apply to that particular Lot.

(5.7) Severability. The provisions of this Declaration are severable and the invalidity of one or more provisions hereof shall not be deemed to impair or affect in any manner the validity, enforceability or effect of the remainder hereof.

IN WITNESS WHEREOF the Developer has caused this Declaration to be executed under seal on the day and year first above written.
