RESTRICTIVE COVENANTS

WHEREAS, Michael Reid McGee and wife, Diane W. McGee, John Steve Nash and wife Sue C. Nash, and Roy H. Hill, and wife, Sybil C. Hill of Union County, North Carolina, (hereinafter referred to as "Owners") are the owners of certain real estate, known as Greyfield Subdivision, which is located in Union County, North Carolina, and shown on that plat thereof recorded in the Office of the Register of Deeds of Union County, North Carolina, in Plat Cabinet C, File No. 285.

AND WHEREAS, the undersigned, as the owners of said real estate as shown on said plat, now desire for the use of themselves, their successors and assigns, and future grantees to place and impose certain protective covenants and restrictions on each of those lots identified as all of those lots (Numbers One through Thirty One) shown in that subdivision known as Greyfield Subdivision as shown in Plat Cabinet C, File 285, Union County Register of Deeds.

NOW, THEREFORE, in consideration of the premises herein, the undersigned, for themselves, their successors, assigns and future grantees, do hereby place, and impose upon all of the aforesaid lots of Greyfield Subdivision, the following restrictions:

1. These restrictive covenants shall hereafter apply to all presently subdivided lots, and, upon any further subdivision, shall thereafter apply to each such subdivided lot. The subject property may not be subdivided hereafter unless such subdivision shall be with the consent of the undersigned owners.
2. Each tract shall be used for residential purposes only, and no structure shall be erected, placed, altered or permitted to remain on any tract other than one detached, single-family dwelling together with outbuildings customarily incidental to the residential use of each tract.
3. No single-family dwelling, one-story in height, shall be erected and maintained on any of said tracts with the heated living area of less than 1,000 square feet. Any one and one-half story dwelling, two-story dwelling or 1-1/2 level or split level type dwelling erected or maintained on any of said tracts shall have enclosed heated living area of the main structure, exclusive of open porches, garages, and other heated spaces of not less than 1,000 square feet. Any multi-level, or multi-story dwelling must have a minimum of 800 square feet of heated living area at the ground level. Exteriors of residences (excluding porches) constructed on each lot shall be of brick veneer.
4. Garages and any outbuildings qualifying under Paragraph 1 above are to be constructed in substantial conformity with the construction of the residences, and shall have a brick veneer exterior.
5. Construction of new residential buildings only shall be permitted, it being the intent of this covenant to prohibit the moving of any existing building or portion thereof on a tract and remodeling or converting same into a dwelling unit in this subdivision. No structure placed on any tract shall have an exterior of either block or cement block.

6. No noxious or offensive trade or activity shall be carried on upon any tract, nor shall anything be done thereon which may become an annoyance or nuisance to the neighborhood. No structure of a temporary character, trailer, basement, tent, shack, garage, barn, mobile home or other outbuilding shall be used on any lot at any time as a residence, either temporary or permanently.
7. No mobile homes or mobile home parks shall be allowed or maintained upon any of said tracts. No animals, live stock, or poultry of any kind shall be raised, bred or kept on any lot save and except dogs, cats or other household pets which may be kept provided they are not kept, bred, or maintained for any commercial purposes. No more than one dog or cat or other household pet may be kept on the property, unless a fenced-in area is provided for same.
8. No lot shall be used or maintained as a dumping ground for rubbish. Trash, garbage or other waste shall not be kept except in sanitary containers. All incinerators or other equipment for the storage or disposal of such materials shall be kept in a clean and sanitary condition.
9. No sign of any kind shall be displayed to the public view on any lot except a professional sign of not more than two square feet, one sign of not more than five square feet advertising the property for sale or rent, or signs used by a builder to advertise the property during the construction and sales period.
10. No further subdivision of any lots will be permitted without the prior written consent of the undersigned.
 11. No unlicensed or permanently inoperable vehicle, car, or parts thereof, or any items deemed unattractive or inappropriate to the general appearance of the neighborhood shall be located upon any premise within the subdivision.
 12. No freestanding antenna or satellite dish shall be permitted in the front or side yard.
 13. No residence, building, fence, wall, outbuilding or other accessory feature to the dwelling structure shall be erected, placed or altered on any lot until the construction plans and specifications showing the location of the proposed construction on the lot have been approved in writing by one of the undersigned. The undersigned shall have fifteen (15) days after receipt of the plot plan and the plans and specifications for the proposed construction to accept or reject the same in whole or in part, and if the undersigned fails to accept or reject the same within said fifteen (15) days, then the plans and specifications and plot plan shall be deemed to be approved. After permission for construction is granted by the undersigned, compliance with the approved construction plans and specifications and plot plan shall be the responsibility of the owner. All proposed construction shall provide for a brick veneer exterior. Any permission granted by the undersigned for construction pursuant to this covenant shall not constitute or be construed as an approval by the undersigned of the structural stability, design, or quality of any building.
 14. (a) The undersigned reserve an easement in and right at any time in the future, to grant a ten (10') foot right of way over, under and along the rear line of each lot for the installation and maintenance of poles, lines, conduits, pipes, and other equipment necessary to or useful for furnishing electric power, gas, telephone service or other utilities, including water, sanitary sewage service and storm water drainage facilities.
 - (b) The undersigned also reserve an easement in and right at any time in the future to grant a five (5') foot right of way over, under and along the side lines of each lot for the same uses and purposes set forth in Paragraph 14(a) above.

(c) The undersigned reserve an assessment in and right at any time in the future to grant a five (5') foot right of way over, under and along the property line abutting on street right of way expressly for highway purposes.

15. No above ground swimming pool is permitted on any lot.

16. Enforcement of these restrictive covenants shall be by proceedings at law or in equity against any person, or persons violating, or attempting to violate any covenants, either to restrain violation or to recover damages.

17. Invalidation of any one or more of these covenants by judgment or by court shall not adversely affect the balance of the said covenants, which shall remain in force and in effect.

18. The requirement of execution of any agreements or documents regarding these Restrictive Covenants is fulfilled upon execution of same by any one of the undersigned.

These covenants are to run with the land and shall be binding on all parties claiming under them for a period of thirty (30) years from the date these covenants are recorded, after which time, said covenants shall be extended for successive periods of ten (10) years unless an instrument signed by a majority of the then owners of the lots has been recorded agreeing to change said covenants in whole or in part.

IN WITNESS WHEREOF, the undersigned have caused these presents to be signed and sealed their names, this the 17th day of August, 1982
