4.2 Personal Property and Real Property for Common Use: The Association, through action of its Board, may acquire, hold, and dispose of tangible and intangible personal property and real property. Declarant may convey to the Association improved or unimproved real estate located on the Property, personal property and leasehold and other property interests. Such property shall be accepted by the Association and thereafter maintained by the Association at its expense for the benefit of the Owners and occupants of the Property, subject to any restrictions set forth in the deed or other instrument transferring such property to the Association.

4.3 Enforcement. The Association may impose sanctions for violations of the Governing Documents, in accordance with procedures set forth in the By-Laws, including reasonable monetary fines. The Association, through the Board and in accordance with Section 3.19 of the By-Laws, may exercise self-help to cure violations, and may suspend any services it provides to any Member (or to such Member's property) who is more than 30 days delinquent in paying any charge due to the Association. All remedies set forth in the Governing Documents shall be cumulative of any remedies available at law or in equity. In any action to enforce the provisions of the Governing Documents, if the Association is awarded any damages or relief, it shall be entitled to recover from the opposing party all reasonable costs and attorney's fees incurred in such action. Any judgment awarding the Association monetary relief shall bear interest at the rate of sixteen percent (16%) or the maximum rate allowed on contracts by law, whichever is greater.

4.3(a) Initiation of Legal Proceedings: All other sections of this Declaration notwithstanding, the Association may not file a formal legal action without the approval of a majority of the Owners, and of the Declarant (for so long as the Declarant owns any portion of the Property.)

4.4 **Board Authority.** Except as otherwise specifically provided in the Governing Documents or by law, all rights and powers of the Association may be exercised by the Board without a vote of the membership.

4.5 **Governmental Interests.** As long as Declarant owns any portion of the Property, Declarant may designate sites within the Property for fire, police, water, and other utility facilities, parks, and other public or quasi-public facilities. If the sites include the Common Area the Association shall take any action ordered by Declarant and necessary to permit such use, including conveyance of the site. The sites may include property not owned by Declarant if the owner of such site consents.

4.6 **Indemnification.** The Association shall indemnify every officer, director, and committee member against all damages and expenses, including counsel fees, reasonably incurred in connection with any suit or other proceeding (including settlement if approved by the then Board) to which he or she may be a party by reason of being or having been an officer, director, or committee member, except that such obligation to indemnify shall be limited to those actions as to which the liability of officers and directors is limited under the Articles of Incorporation and North Carolina law. This right to indemnification shall not be exclusive of any other rights such person may be entitled. The Association may, as a Common Expense, maintain adequate general liability and officers' and directors' liability insurance if reasonably available.

4.7 **Dedication of Common Area.** The Association may not dedicate, mortgage or convey portions of the Common Area to the State of North Carolina, to Union County, to any other local, state, or federal governmental entity and to other entities without the approval of seventy-five percent (75%) of the Members (excluding the Declarant). Any dedication of the Common Area during the Class B Control Period shall require the prior approval of the HUD/VA.

If ingress or egress to any lot or residence thereupon is through any common area, any conveyance or encumbrance of such common area pursuant to Section 4.7 shall be made subject to the easement of the owner of said Lot for ingress and egress.

4.8 **Security.** The Association may, but shall not be obligated to, maintain or support certain activities within the Property designed to make the Property safer than it otherwise might be. Neither the Association, the Declarant, nor any successor Declarant shall be considered insurers or guarantors of security within the Property, nor shall any of them be held liable for any loss or damage by reason of failure to provide security or of ineffectiveness of security measures undertaken. No representation or warranty is made that any fire protection system, burglar alarm system or other security measures cannot be compromised or circumvented, nor that any such security measures undertaken will in all cases prevent loss or provide the service for which it is intended. Each Owner understands and covenants to inform its tenants that the Association, its Board and committees, the Declarant, and any successor Declarant are not insurers and that each Person using the Property assumes all risks of personal injury and loss or damage to property resulting from acts of third parties. Nothing in this paragraph, however, shall be construed as an intent to waive or as a waiver of any rights, causes of action or demands of any kind on behalf of any Owner against any firm, person or corporation whose acts or omissions directly or indirectly result in bodily injury, personal injury or damage to property.

#### ARTICLE V. MAINTENANCE

5.1 **Association's Responsibility.** The Association shall maintain and keep in good repair the following:

- (c) such additional property as may be included as Common Area by this Declaration, any Supplemental Declaration, or any contract or agreement for maintenance thereof entered into by the Association;

Except as provided above, the responsibilities of the Association under Article V shall not be reduced by any means except with the prior written approval of Declarant, as long as Declarant owns any portion of the Property. The Declarant, however, may unilaterally reduce the obligations of the Association, provided that such reduction does not materially alter any property rights of any Owner.

Except as otherwise specifically provided herein, all costs associated with maintenance, repair and replacement necessary under this Article V shall be a Common Expense to be allocated among all Members as part of the Base Assessment, without prejudice to the right of the Association to seek reimbursement from the owner(s) of, or other Persons responsible for, certain portions of the Area of Common Responsibility pursuant to this Declaration, any Supplemental Declaration, other recorded covenants, or agreements with the owner(s) of such property.

5.2 **Individual Responsibility.** Each Owner shall maintain that Owner's Lot, and all structures, parking areas, and other improvements on that Property in a manner consistent with the standards accepted by the Association and all applicable covenants.

5.3 Standard of Performance. Unless specifically provided herein or in other instruments, maintenance shall include necessary repair and replacement. All maintenance shall be performed consistent with the standards adopted by the Association, the Braefield Architectural Control Committee (if any) and the covenants. The Association shall not be liable for any damage or injury occurring on, or arising out of the condition of, property which it does not own except to the extent that it has been negligent in the performance of its maintenance responsibilities.

## ARTICLE VI. INSURANCE AND CASUALTY LOSSES

### 6.1 Association Insurance

- (a) The Association shall maintain in full force and effect fidelity insurance coverage protecting against dishonest acts by Association officers, directors, trustees, and employees and all others who are responsible for handling funds of the Association in the amount of one year's operating budget, plus projected reserve balances during the budget year. If professional management is obtained by the Association and it has this coverage and it handles the funds, then this requirement will be satisfied.
- (b) If the Board of Directors so elects, officers and directors liability insurance covering the officers and directors of the Association may be obtained in such amount as the Board of Directors shall determine.
- (c) The Association shall have the right to purchase and maintain comprehensive general liability insurance coverage and such other insurance coverage as the Board of Directors may deem necessary and appropriate.
- (d) Premiums upon insurance policies purchased by the Association shall be paid by the Association as common expenses to be assessed and collected from all of the Owners.
- (e) All insurance policies purchased by the Association shall be for the benefit of the Association.

## ARTICLE VII. NO PARTITION

Except as permitted in this Declaration, there shall be no judicial partition of the Common Area. This Article shall not prohibit the Board from acquiring and disposing of real property which may or may not be subject to this Declaration, or tangible personal property.

## ARTICLE VIII. CONDEMNATION OF COMMON AREA

[Reserved]

## ARTICLE IX. ASSESSMENTS

9.1 Creation of Assessments. The Association is hereby authorized to levy assessments for all expenses incurred or expected to be incurred by the Association in performing its duties and exercising its rights under the Governing Documents, including but not limited to:

- (a) expenses of maintaining, repairing, replacing, operating and insuring Common Area and other areas under the Association's responsibility;
- (b) the cost of insurance and fidelity bond coverage obtained pursuant to Article VI;
- (c) expenses of monitoring and enforcing compliance with the provisions of this the Governing Documents;
- (d) expenses arising out of the Association's indemnification obligations under Section 4.6;
- (e) expenses arising out of any measures undertaken to enhance the safety of the Property pursuant to Section 4.8;
- (f) expenses arising out of its exercise of architectural control under Article X;
- (g) all reasonable expenses of managing the Association (provided, during the Class B Control Period the directors appointed by the Class B Member shall receive no compensation for their management of the Association);
- (h) legal, accounting and other professional fees; and
- (i) such other expenses as the Board deems necessary or desirable to keep the Property in good, clean and attractive condition.

There shall be three types of assessments: (a) Base Assessment to fund Common Expenses based on the annual budget prepared in accordance with Section 9.3; (b) Special Assessments as described in Section 9.5; and (c) Specific Assessments as described in Section 9.6. Each Owner, by accepting a deed or entering into a recorded contract of sale for any portion of the Property, is deemed to covenant and agree to pay these assessments.

All assessments, together with interest (at a rate of sixteen percent (16%) or the highest rate permitted by law or contracts, whichever is higher) from the date of delinquency, late charges, costs, and reasonable attorney's fees (collectively, "Fees"), shall be a charge and continuing lien upon the Property of the defaulting owner each Lot until paid, as more particularly provided in Section 9.7. Such assessments and Fees shall be the personal obligation of the Person who was the Owner of the Lot at the time the assessment arose. Upon transfer of title to the Lot, the grantee shall be jointly and severally liable for all any assessments and Fees due at the time of the conveyance. However, no first Mortgagee or other Person who obtains title to the Lot upon exercise of the remedies provided in such Mortgage shall be liable for unpaid assessments which accrued prior to such acquisition of title, the lien of any assessment shall be subordinate to any first mortgage.

The Association shall, upon request, furnish to any Member or Owner a certificate signed by the Association stating whether such assessment has been paid, which shall be conclusive evidence of payment. The Association may require advance payment of a reasonable processing fee for the issuance of such certificate.

All Base Assessments for each calendar year shall be due and payable on January 1 of that year. In the event that an Owner takes title on any date other than January 1, then that Owner shall pay the Base Assessment on a pro-rated basis upon taking title. Special Assessments and Specific Assessments shall be due and payable as determined by Declarant or by the Association. If any person is, or becomes, delinquent on any assessment, the Board may accelerate all assessments due for that calendar year and may require that all assessments be paid in full immediately.

Each Member shall be jointly and severally obligated with the Owners of Lots subject to such Member's jurisdiction, for all assessments levied against such Lots, and shall be responsible for paying to the Association, the total amount of all assessments against the Lots under such Member's jurisdiction. Such amount shall have first priority for payment each Member's income. The above shall not relieve any Owner of liability for its pro rata share of any amounts not paid by the Member.

No Owner may exempt himself from liability for assessments by any means. The obligation to pay assessments is a separate covenant on the part of each Member and Owner. No diminution of assessments shall be allowed for any alleged failure of the Association or Board to take some action required of it, or for inconvenience arising from the making of repairs or from any other action.

The Association is specifically authorized to enter into subsidy or "in kind" contracts with any Member or Owner for payment of Common Expenses.

9.2 Declarant's Obligation for Assessments. The Declarant shall pay one-fourth of the Base Assessment, as set forth below, for each lot it owns. During the Class B Control Period only, Declarant may elect either to pay such assessments on that portion of the Property which it owns or to pay the difference between the amount of assessments levied on all other assessed property and actual expenditures by the Association during the fiscal year. Declarant's obligations hereunder may at any time be satisfied in the form of cash or by "in kind" contributions of services or materials, provided that such "in kind" contributions are approved by the Association.

9.3 Computation of Base Assessments. At least 60 days before the beginning of each fiscal year, the Board shall prepare a budget covering the estimated Common Expenses for the coming year, including a capital contribution to establish a reserve fund in accordance with a budget separately prepared as provided in Section 9.4. Such budget may, in the Board's discretion, take into account any income anticipated from sources other than Base Assessments.

The total dollar amount to be raised through the levy of Base Assessments shall be assessed against each Lot pro rata.

The Board shall establish a cutoff date for determining what property is part of the Property for purposes of allocating the assessment.

The Board shall send a copy of the budget and notice of the amount of the Base Assessments due for the following year to each Member at least 30 days prior to the beginning of the fiscal year for which it is to be effective. The budget shall become effective unless disapproved by at least 75% of the total Class A votes and 75% of the Class A Members, and by the Class B Member, if existing. The Board need not call a meeting to consider the budget except on petition of the Members as provided in the Bylaws, presented to the Board within 10 days after notice.

If the proposed budget is disapproved or the Board fails to determine the budget for any year, then until such time as a budget is determined, the budget in effect for the immediately preceding year shall continue for the current year.

9.4 Reserve Budget and Capital Contribution. The Board shall annually prepare a reserve budget, setting the required capital contribution in an amount sufficient to permit meeting the projected needs of the Association, as shown on the budget, with respect to both amount and timing by annual Base Assessments over the budget period.

9.5 Special Assessments. In addition to other authorized assessments, the Association may levy Special Assessments from time to time to cover unbudgeted expenses or expenses in excess of those budgeted. Except as otherwise provided in the Declaration, any Special Assessment shall require the vote of at least 51% of the total Class A votes, and of the Class B Member, if the Class B Member still owns any of the Property. Special Assessments shall be payable in a manner and at such times as determined by the Board.

9.6 Specific Assessments. The Board shall have the power to specifically assess against individual Lots fines authorized by the Governing Documents and expenses incurred as a consequence of the conduct of less than all Owners. The Association may also levy a Specific Assessment against any Lot for costs incurred in bringing any Lot into compliance with the provisions of the Governing Documents, provided the Board gives prior notice to the Owner and an opportunity for a hearing.

9.7 Lien for Assessments. The Association shall have a lien against each Lot to secure payment of delinquent assessments, and Costs. Such lien shall be superior to all other liens, except (a) liens superior by law, and (b) the lien of any first Mortgage of record made in good faith and for value. Such lien, when delinquent, may be enforced in the same manner as mechanics' liens under North Carolina law.

The sale or transfer of any Lot shall not affect the assessment lien or any subsequent assessments, except that the sale or transfer of a Lot pursuant to foreclosure of the first Mortgage shall extinguish the lien as to any installments of such assessments due prior to such sale or transfer. A purchaser of a Lot who obtains title pursuant to foreclosure shall not be personally liable for assessments on such Lot due prior to such acquisition of title. Such unpaid assessments shall be reallocated among all Lots, and may be added to and collected as part of the following year's Base Assessment against such Lots.

9.8 Capital Contribution. In addition to all Assessments set forth herein, every Owner (other than the Declarant), upon taking title to this property, shall pay an initial capital contribution of \$22.00. This amount shall be in addition to the Base Assessment due when the Owner takes title.

9.9 Failure to Assess. Failure of the Board to fix assessment amounts or to deliver notice to each Member shall not be a waiver of any Owner from the obligation to pay assessments. In such event, each Member or Owner shall pay Base Assessments on the same basis as for the last year for which an assessment was made, if any, until a new assessment is made, at which time the Association may retroactively assess any shortfalls in collections.

9.10 Exempt Property. The following property shall be exempt from payment of Base Assessments and Special Assessments: common areas and property dedicated to and accepted by any governmental authority or public utility.

9.11 Initial Base Assessment. Unit modified in accordance with the procedures set out herein, the Base Assessment for each Lot shall be \$96.00 per year.

#### ARTICLE X. ARCHITECTURAL STANDARDS

Any permanent improvements whatsoever to any Lot must be approved by the Declarant, for so long as the Declarant owns any portion of the Property. Subsequent to that time, the Board shall be charged with the obligation to review all improvements. Absent the approval of the Declarant (or of the Board, subsequent to the Board assuming responsibility for the review), the proposed improvement may not be commenced.

The Board may, in its discretion, and only after the Declarant conveys its last portion of the Property, establish an Architectural Control Committee, to which it may delegate decision making duties regarding architectural standards.

In the event an Owner of any Lot in the Properties shall make unauthorized changes to the premises and the improvements situated thereon, the Association, through its agents and employees, to enter upon said parcel and to repair, maintain and restore the Lot and the exterior of the Buildings and any other improvements erected thereon. The cost of such exterior maintenance and any other costs or attorney's fees incurred in the enforcement of the rights under these provisions shall be considered a Specific Special Assessment against that owner(s) and his/her Lot(s).

#### ARTICLE XI. RESTRICTIONS ON USE

11.1 Residential Use. All Lots shall be used for single family residential purposes only and subject to the restrictions of this Article XI. No structure erected, altered, placed or permitted to remain on any Lot shall exceed three

and one-half stories in height. A private garage for each Lot for not more than three cars and other accessory structures customarily incidental to the use of the Lot may be erected.

11.2 Setbacks. No building shall be located nearer to the front property line or any side street line than the building setback line as shown on the recorded maps of Lots. No building shall be located nearer any side Lot line than the applicable zoning ordinance shall allow. Deviations from building line requirements not in excess of ten percent (10%) thereof shall not be construed as a violation of the building line requirements as long as such deviation does not violate any local ordinance or zoning.

11.3 Animals and Pets. No animals of any kind shall be kept on any Lot except generally accepted household pets, which may be kept thereon for the sole pleasure and use of the occupants but not for commercial use and no more than three pets over the age of six months shall be permitted at any time. Birds shall be confined in cages. In no instance shall household pets become a nuisance to other Owners, or infringe upon the property rights of other Owners.

11.4 Signs. No advertising signs of any type or kind shall be erected, placed or permitted to remain upon or above any Lot or Common Area with the exception of a single sign "For Rent" or "For Sale," which sign shall not exceed two feet by three feet in dimension and shall refer only to the premises on which displayed, there being only one sign to a Lot. Notwithstanding the above, Declarant may erect and place signs of any size or shape on any unsold Lot or the Common Area. Declarant shall also have the right of ingress, egress and regress over the aforesaid Lots and Common Area in order to maintain and replace any such signs until 100% of the Lots have been conveyed by Declarant.

11.5 Nuisances. No activity may be carried on which shall or may be offensive, illegal, or an annoyance or nuisance, as determined by Declarant. No Lot or right-of-way shall be used or for rubbish disposal, or for storage if such storage may cause such Lot or right-of-way to appear unclean or unsightly; nor shall any thing be kept upon any Lot or right-of-way that will emit a foul odor or will cause noise that might disturb the peace. However, the foregoing shall not be construed to prohibit temporary deposits of trash, rubbish and other such debris for pick up by trash removal service units, but such deposits shall only be permitted upon the specific day of pick up. In the event any Owner fails or refuses to keep his Lot free from unsightly objects, weeds, or underbrush or to maintain the main structures on each Lot in a manner satisfactory to the Board of Directors, the Board of Directors may, five days after delivering notice to the Owner requesting the Owner comply with the requirements of this paragraph, enter and remove all such unsightly objects or vegetation at Owner's expense and Owner agrees to pay such costs incurred by The Association in the enforcement of this paragraph. No such entry as provided herein shall be deemed a trespass. The foregoing provisions shall not apply to Declarant or to a Builder while constructing residences upon any Lots.

11.6 Clotheslines, Garbage Cans, Lawn Maintenance, General Upkeep of Lots, etc. All clothes lines, garbage cans, lawn mowers, stored materials, wrecked unlicensed or inoperable vehicles, and similar equipment shall be kept in an enclosed structure or adequately screened by planting or fencing, as determined by the Board of Directors. Incinerators for garbage, trash or other refuse shall not be permitted on any Lot. All garbage cans and other sanitary containers must be kept behind the house, and shall not be permitted to be left on the street for pickup for more than 12 hours. Temporary window treatments (such as towels, bed sheets, etc.) shall not be permitted except for the first 30 days after an Owner takes possession of his/her property. No trash, rubbish, garbage or other waste material shall be kept or permitted upon any Lot or the Common Area, except in garbage cans or other sanitary containers. No weeds, vegetation, rubbish, debris, garbage, or other waste materials shall be permitted to accumulate on any Lot or any other portion of the Property which would render it unsanitary, unsightly, or offensive. Each Owner shall keep his grass, hedges, shrubs, vines and mass planting of any kind trimmed or cut so as to appear neat and attractive, and shall promptly remove any dead trees, vines, shrubs or plants on his property.

11.7 Antennas. No freestanding radio or television transmission or reception towers, antennas, dishes or discs shall be erected on a Lot. Radio and television antennas not exceeding seven and one-half (7 1/2) feet in height above the roofline of the residence and dishes or disks not exceeding three (3) feet in diameter and not visible from the street in front of the residence may be attached to the structure of the residence only.

11.8 Walls, Fences and Hedges. Walls and fences are permitted as long as both sides of such structures are constructed of identical materials and identical designs, and such walls and fences are of a uniform height across the entire Lot. No chain link, cyclone, or similar sort of fencing shall be permitted. For masonry walls, no exposed concrete block will be permitted. Hedges shall be maintained in a neat condition on both sides. All walls, fences, and hedges shall be located only in the rear yard of each lot, a "rear yard" being defined as the portion of each lot from the rear most corners of any house to the rear property line. On corner lots, no walls, fences or hedges shall be erected in the side yard.

11.9 Pools. Pools shall be permitted upon Lots but such pools must be located directly behind the residence of each Lot, screened from view by a six-foot privacy fence, and be at least twenty feet from both side Lot lines and the rear Lot line.

11.10 Driveways and Parking Areas. Only driveways and parking areas constructed of concrete or brick shall be permitted.

11.11 Vehicles, Boats and Trailers, Commercial Vehicles. No vehicles (other than automobiles and light pickup trucks), boats, trailers, recreational vehicles or similar items shall be allowed to remain upon any Lot unless parked in garages or upon driveways and screened from view by fencing or landscaping approved by the Board of Directors. No open portion of any Lot, or any street, shall be used as a parking area for any type of commercial vehicle.

11.12 Use of Outbuildings and Similar Structures. There shall be no structure of a temporary nature on any : all structures erected must have a permanent foundation. These easements shall not entitle the holders to construct or install any of the foregoing systems, facilities or utilities over, under or through any existing structure on a Lot, and such installation shall occur only within 50 feet of the Lot boundary line unless otherwise consented to in writing by the Owner of the affected Lot, whose consent shall not unreasonably be withheld. Any damage to a Lot resulting from the exercise of these easements shall promptly be repaired at the expense of the Person exercising the easement. The exercise of these easements shall not unreasonably interfere with the use of the Lot and, except in an emergency, entry onto any Lot shall be made only after reasonable notice to the Owner or occupant.

In addition, an easement five feet in width along each side Lot line and ten feet along each rear Lot line is hereby reserved for the Declarant, and its heirs and assigns forever, for purposes of installation and maintenance of drainage systems and/or utility lines.

Declarant specifically grants to the local water supplier, electric company, cable television provider, telephone utility, and natural gas supplier easements across the Property for ingress, egress, installation, reading, replacing, repairing and maintaining utility meters and boxes. - (a) Any condemnation loss or any casualty loss which affects a material portion of the Property or which affects any Lot on which there is a first Mortgage held, insured or guaranteed by such Eligible Holder (hereinafter "Mortgaged Lot");
- (b) Any violation of the Governing Documents affecting the Mortgaged Lot, where such violation has not been cured within 60 days;
- (c) Any lapse, cancellation or material modification of any insurance policy maintained by the Association; or
- (d) Any proposed action which would require the consent of a specified percentage of Eligible Holders.

**ARTICLE XIV. DECLARANTS RIGHTS**

In addition to all other rights and privileges granted or reserved herein:

- (a) Any or all of the special rights and obligations of Declarant set forth in this Declaration or the By-Laws may be transferred, in whole or in part, to other Persons if the transfer does not reduce an obligation nor enlarge a right beyond that contained in the Governing Documents. No transfer shall be effective unless in a writing signed by Declarant and Recorded.
- (b) Declarant and Builders authorized by Declarant may maintain and carry on upon portions of the Common Area such facilities and activities as in the sole opinion of Declarant may be reasonably required or convenient to the construction on or sale of such Lots. Declarant and authorized Builders shall have easements for access to and use of such facilities.
- (c) Declarant and its employees, agents and common shall have a right and easement over and upon all of the Common Area for the purpose of constructing and installing such improvements to the Common Area as Declarant deems appropriate in its sole discretion.

(d) No Person shall record any declaration of covenants, conditions and restrictions, or declaration of condominium or similar instrument affecting any portion of the Property without Declarant's written consent. Any attempted recordation without such consent shall be void unless subsequently approved by a writing signed by Declarant and Recorded.

(c) Declarant shall have the unilateral right at anytime to make additional property subject to the terms of this Declaration, provided that such additional property is contiguous to the Property described herein. Such addition shall be accomplished by the identification of such additional property, and the execution and recordation of an instrument ("Supplemental Declaration") expressly making such property subject to the terms of this Declaration. The foregoing notwithstanding, any annexation of additional property during the Class B Control Period shall require the prior written approval of the HUD/V/A.

(f) The Declarant shall have the absolute right to veto any amendment.

(g) The rights contained in this Article shall terminate upon the earlier of (a) 20 years from the date this Declaration is recorded, or (b) upon the sale of the last Lot owned by the Declarant or any of its successors or assigns.

#### ARTICLE XV. GENERAL PROVISIONS

15.1 Term. Unless earlier terminated by an instrument signed by Members holding seventy-five percent (75%) of the Class A votes and by the Class B Member, if any, and Recorded, this Declaration shall run with and bind the Property, and shall inure to the benefit of and shall be enforceable by the Association, any Owner, or their respective legal representatives, heirs, successors and assigns for a term of 40 years from the date this Declaration is Recorded. After such time, this Declaration shall be automatically extended for successive periods of ten years, unless an instrument signed by Members holding a majority of the Class A votes and the Class B Member, if the Class B membership has not been terminated, has been Recorded within the year preceding any such extension, agreeing to amend or terminate this Declaration. Provided, nothing in this Section shall be construed to permit the termination of any easement without the consent of the holder of such easement.

#### 15.2 Amendment.

(a) By Declarant. Until termination of the Class B membership, Declarant may unilaterally amend all articles of this Declaration for any purpose.

After the termination of the Class B Control Period, Declarant may unilaterally amend such articles if such amendment is necessary: (i) to bring any provision into compliance with any applicable governmental statutes, rule, regulation, or judicial determination; (ii) to enable any reputable title insurance company to issue title insurance coverage on the Lots; (iii) to enable any institutional or governmental lender or purchaser of mortgage loans, including, for example, the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation, to make or purchase mortgage loans on the Lots; (iv) to enable any governmental agency or reputable private insurance company to insure mortgage loans on the Lots; (v) to satisfy the requirements of any governmental agency; or (vi) for any other purpose provided that such amendment does not have a material adverse effect on the rights of any owner.

Declarant may also unilaterally amend this Declaration, at any time during which it owns any Lot, to correct minor or clerical errors provided that such amendments do not adversely affect any right of any Owner.

The foregoing notwithstanding, any amendment made during the Class B Control Period shall require HUD/V/A approval, if any right of any Owner is materially and adversely affected.

Any amendment made by Declarant subsequent to the expiration of the Class B Control Period that does materially and adversely affect the right of any owner shall not be effective until approved in accordance with Section 15.2(b).

(b) By Members. Except as otherwise specifically provided above and elsewhere in this Declaration, this Declaration may be amended only by the affirmative vote or written consent, or any combination thereof, of Members representing 75% of the total Class A votes in the Association and the consent of the Class B Member, if the Class B membership has not been terminated. In addition, the approval requirements set forth in Article XIV(f) shall be met if applicable.

No amendment may remove, revoke or modify any right or privilege of Declarant without the written consent of Declarant or the assignee of such right or privilege.

(c) Effective Date and Validity. To be effective, any amendment must be Recorded.

If an Owner consents to any amendment to this Declaration or the By-Laws, it will be conclusively presumed that such Owner has the authority so to consent, and no contrary provision in any Mortgage or contract between the Owner and a third party will affect the validity of such amendment.

15.3 Severability. Invalidation of any provision of this Declaration, in whole or in part, or any application of a provision of this Declaration by judgment or court order shall in no way affect other provisions or applications.

15.4 Perpetuities. If any of the provisions of this Declaration shall be unlawful, void or voidable for violation of the rule against perpetuities, then such provisions shall continue only until twenty-one years after the death of the last survivor of the now living descendants of Patricia Jenkins of Charlotte, North Carolina.

15.5 Reserved

15.6 Use of the Words "Braefield". No Person shall use the words "Braefield" or any derivative in any material without Declarant's prior written consent, except that Builders may use the term where it is used solely to specify that particular property is located within Braefield, and the Association shall be entitled to use the word "Braefield" in its name.

15.7 Compliance. Every Owner of any Lot shall comply with the Governing Documents. Failure to comply shall be grounds for an action to recover sums due, for damages or injunctive relief, or for any other remedy available at law or in equity.

15.8 Notice of Sale or Transfer of Title. Any Owner desiring to sell or transfer title to his or her Lot, shall give the Board at least seven days' prior written notice of the name and address of the purchaser or transferee, the date of such transfer of title, and such other information as the Board may reasonably require. The transferor shall be jointly and severally responsible with the transferee for all obligations of the Owner of the Lot, until the date upon which such notice is received by the Board.

15.9 Enforcement by Individual Owners. In addition to the enforcement rights granted to the Association in Section 4.3, each Owner shall also have the right to enforce the terms of this Declaration, including the right to seek injunctive relief to prevent or discontinue any violation hereof.

#### ARTICLE XVII. JOINDER OF CCB AND SOUTHLAND ASSOCIATES, INC.
